The Heart of Ocean Value Chain, Maximizing Connectivity & Opportunities

Since its foundation in May 1980, the Korea Marine Equipment Association (KOMEA) has been making a significant contribution to the advancement of Korea's shipbuilding and marine equipment industries. In particular, with the inauguration of Korea Marine Equipment Global Service Center (KOMECS) in 2010, KOMEA is bringing ocean value chain together for closer global cooperation activities, shaping the future of the marine equipment industry. The 240-odd KOMEA member companies account for roughly 80% of Korea's total marine equipment trade volume, showcasing value of KOMEA existence.

Dedicated Mission to the Enhancement of Global Marine Equipment Trade

KOMEA is providing practical and outward-looking services, carrying out such pillar projects as overseas market development, support operation of overseas workstations and expansion of after-market function. On this context, KOMEA is expanding domestic and overseas cooperation networks, managing and operating Korean pavilions, dispatching of overseas trade mission, cooperative bilateral MOUs around the world, organizing seminar & conference as well as staging technology, certificates and education activities.

KOMEA Brand Power, Generating Clients' Trust & Shaping Future

Based on the wealth of experience and expertises accumulated over past 40 years, we have built up valuable brand power, generating trust and reliability a from our clients at home and abroad. Illustratively, KOMEA is one of four member representative members of the share growth movement in the shipbuilding and marine equipment sectors along with the central government, local governments and KOSHIPA. Moreover, KOMEA is playing a role of representative organizer of all-Korean pavilions at major exhibitions around the world.

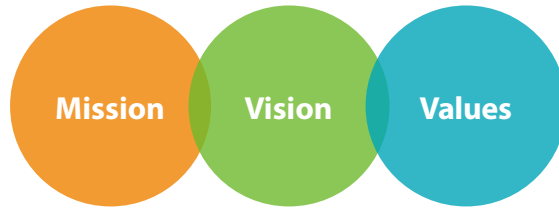

Innovating the Innovation, Driving Smart Media Platform Creation

Under our guiding principle "Innovate the Innovation," KOMEA is driving smart platform and publishing various kinds of publicity materials aimed at maximizing connectivity and opportunities, responding proactively to the era of digital transformation. Lastly, wishing all our clients good fortune and good health throughout the world, we solicit your continued support for drive for the shared growth and co-prosperity.

Kang Ho IL

Chairman

Korea Marine Equipment Association (KOMEA)

Innovate Innovation to Maximize Connectivity & Opportunities in New Business Frame

A Heart of Global Hub and Network Establishment, Driving New Renaissance of Ocean Economy

Promoting Global Value Chain Embracing Marine Equipment Industry & Beyond

Medium & Long-Term Objectives

- Establishment of Global AM (After Market) Basis Structure
- Establishment of Sustainable Growth Basis Through Reinforcement of Marine Business / Management Capacity

Short-Term Objectives

Export-Marketing Support System

- Expansion of Overseas Bases for Marine Equipment A/M (After Market)
- Enhanced Establishment and Operation of Hub for Overseas A/M (Mideast, Europe, Russia, etc.)
- Establishment of Comprehensive Support System for A/M (Busan Region)
- Reinforcement of Global marketing System Support (Exhibition, Export Consultation, etc.)
- Operation of Consolidated Trade Site and Smart Directory

Technology-Information Network

- Information Delivery for Shipbuilding & Marine Technology, Certificate and Education
- Expanded Supply of Knowledge and Intelligence Content
 - Associated with Forum, Conference, Operation of Specialized Committees, or Advisory Corps, Info Exchange Meeting, etc.
- Establishment of Technology Support-Alliance System
 - Establishment of Technology Support Sub-Committee
- 'New Growth Engine' Businesses & Technology Development Support

Domestic & Overseas Cluster

- Cooperative Works With Marine Equipment Companies Based in Busan (Shipbuilding Industry Density Regions)
- Expansion of Global Information Infrastructure
- Joint Purchases, Logistics, etc, connected with Expanded Global Information & Intelligence

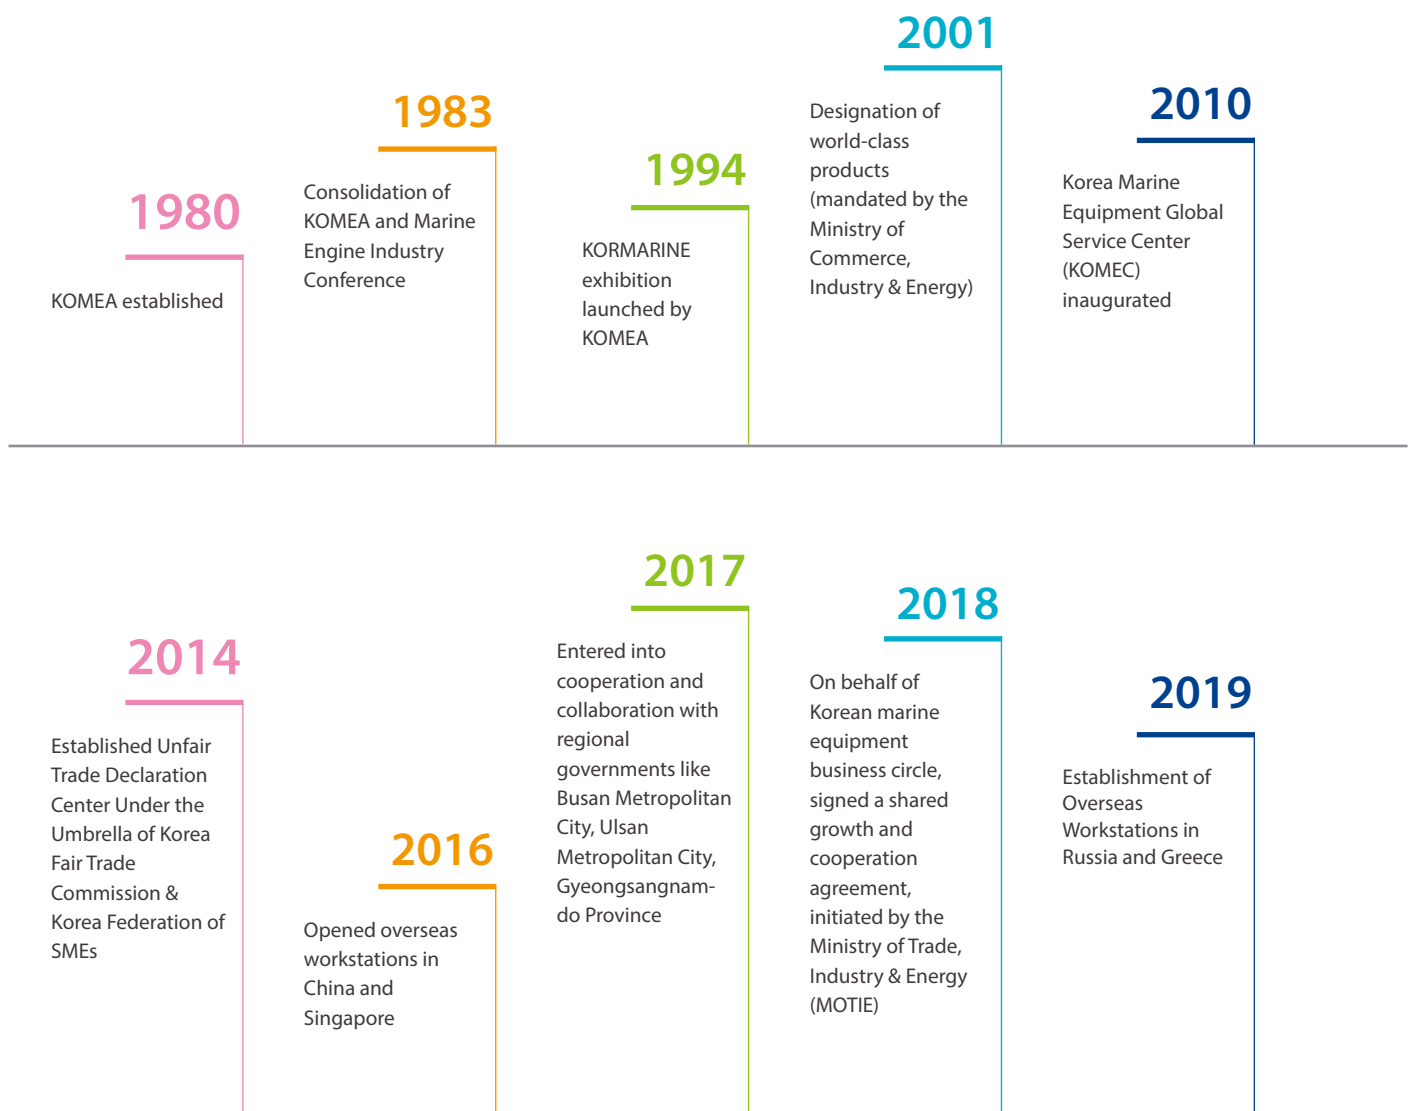

Shipbuilding & Offshore Specialized Manpower and Exchange System

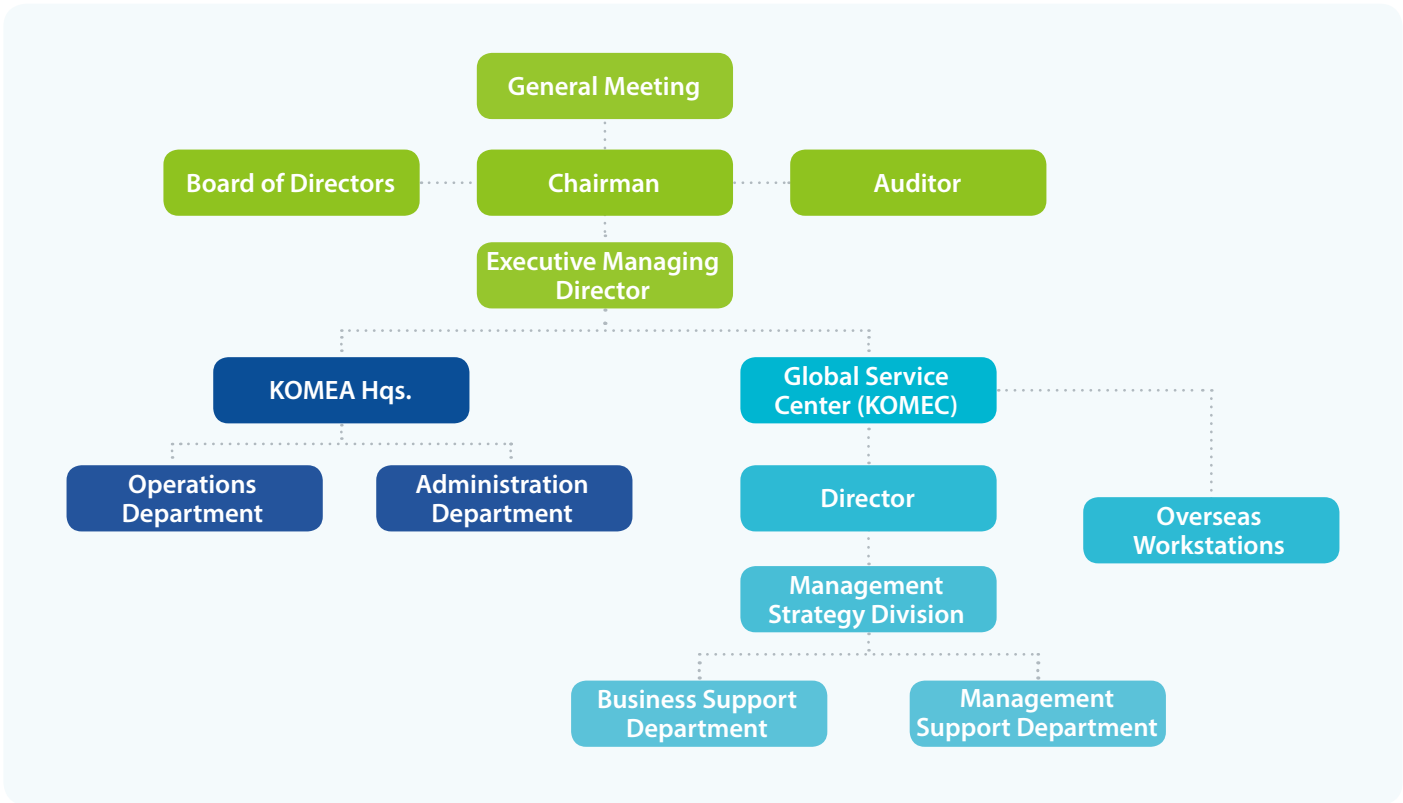

- Education Cultivating Marine Equipment A/S Engineers
- Industry-Academia-Research Specialists Networks.
- Specialized Manpower Education in the A/M sectors
- Education System Cultivating Specialists in Global Marketing and New Growth Engine Areas

Rallying behind the Korean leadership in the global shipbuilding horizon, KOMEA has been playing a pivotal role in enhancing marine equipment business areas, in particular, making the history of global trade cooperation and related capacity reinforcement and more.

• **Exemplary Track Record**

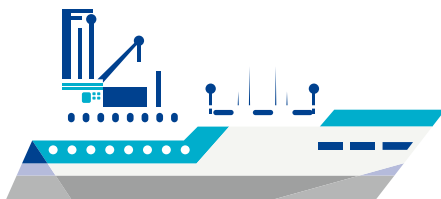

KOMEA Job Definition by Department

- Joint Purchase & Sales
- Development of Exclusive to SME, Business Areas
- Supporting Promising SMEs

- Cultivation and Management of Member Companies
- Monitoring & Analyzing Shipbuilding and Offshore Industry Status and Publications as follow:
 - Newsletter (Korean & English, Weekly)
 - Korea Marine Equipment (Korean, Biannually)
 - Comprehensive Guidebook (English, Annually)
 - Korea Marine & Offshore Statistics & Info (English, Annually)
- Government Relations, Connected with Domestic Network
 - Recommend Companies and Products
 - Select Outstanding Marine Equipment Companies
 - Operation of Unfair Trade Declaration Center for the Marine Equipment Areas

KOMEA Job Definition by Division & Department

- New Project Development and Management
- Government (Central and Local) Relations
- Management of Overseas Workstations

- Exports Consultation Meeting
- Korea Pavilion Operation at Promising Marine Equipment Exhibitions at Home and Abroad

- Support Government (Central and Local) Relation Affairs, evolving financial settlement, etc.
- Public Relation
- IT Support

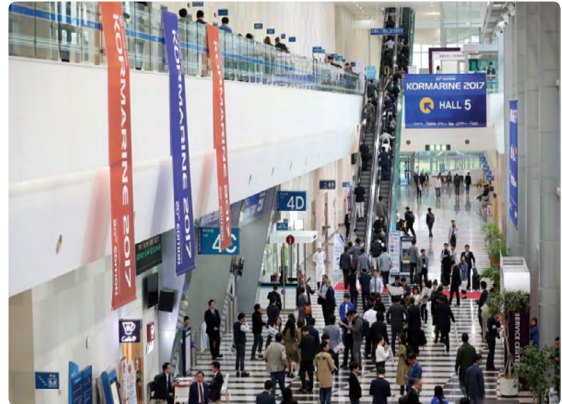

- Survey Concerning Overseas Marine Equipment Information
- Shipyard and shipowner Information by Project
- Buyers Network Establishment
- Support for Korean Companies Marketing Activities in the Related Country and Region

An Organizer of KORMARINE, A Trusted Brand for Over 40 Years

KOMEA is an organizer of KORMARINE, a trusted brand for over 40 years, which has been held every two years in Busan, the southernmost port city of the Korean Peninsula, called as a marine capital of the world.

The 2019 KORMARINE, scaled at 40,000 square meters, attracted 900-odd exhibitors from 46 countries as well as 36,000 visitors from 80 countries throughout the world.

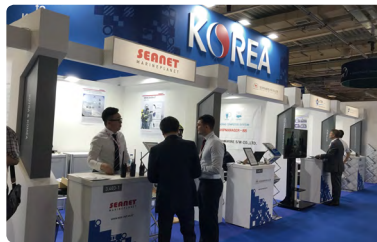

Making History of Korea Pavilions at Shipbuilding & Marine Equip. Shows

KOMEA, supported by the government, has been organizing and running Korea Pavilion held in global shipbuilding and marine equipment exhibition, contributing to enhanced opportunities both for exhibitors and buyers.

Based on its wealth of experiences and expertises, KOMEA has also played a role of total management of Korea Pavilion, which comprises sub-pavilions run by related associations and regional entities.

Sea Japan

Sea Asia

- Others: Offshore Europ, APM, Gastec, Korea Ocean Expo

Creating New Values in the Optimized Global Business Meetings

KOMEA, on the strength of its domestic and global networks, has been at the forefront of global trade meetings between Korean and foreign companies, powered by capacity reinforcement of overseas workstations and bilateral cooperation with foreign specialized organizations.

2019 Global Network of Korean Marine & Offshore Equipment

2019 Marine Partnership With Greece & Turkey

Global Marine Plaza in Russia 2019

2019 Thailand-Korea Maritime Partnering Plaza

2019 Global Marine Business Plaza in China

Global Marine Plaza 2019 in Singapore

2018 Germany-Croatia-Korea Maritime Sourcing Plaza

Korea Marine Equipment Trade Delegation to Indonesia

Korea Marine Equipment Trade Delegation to Thailand

Generating Intelligence and Insights Thru Conferences and Forums

Combined with related organizations and more, KOMEA has been successfully hosting conferences and forums, generating a stream of intelligence and insight, conducive to enhancing capacity and opportunities in the shipbuilding and marine equipment businesses.
